

# Going From Place to Place

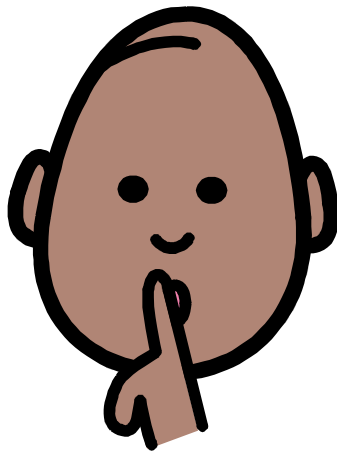

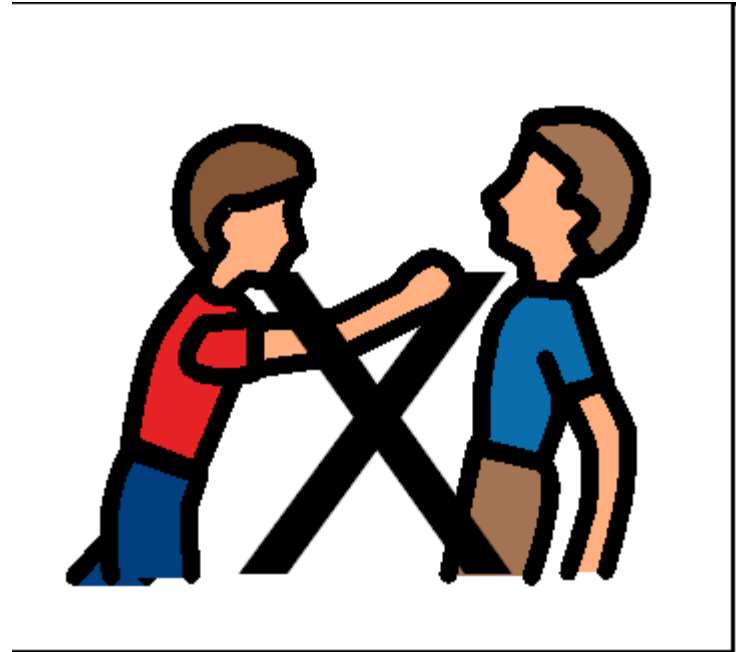

A Social Story About Transitions

We do many things at school.

When we move at school it is important to be safe.  
We use walking feet, keep hands to ourselves,  
and have quiet voices.

When we move at school, it is important to be kind and respectful. We help others, use kind words, and use gentle hands.

When we move at school, it is important to be responsible and make good choices. Our eyes need to be watching, and we need to follow directions.

When we are safe, kind, respectful, and responsible we will have fun at school.
