

Following is a brief explanation regarding the Other Post-Employment Benefits (OPEB) Trust Agreement.

Previously, the District paid for retiree benefits out of the District's General Fund. Recently, the District has been able to create and utilize a special trust fund, which enables the District to claim special education categorical aid on the benefits paid to licensed special education staff. The specifics of the OPEB Trust Agreement explain the record keeping, investments, and administration of the Trust. Because the District is utilizing this special type of trust fund, it is required by DPI to provide notice of the Trust Agreement to employees. To read the entire OPEB Trust Agreement, please click on the link provided under the OPEB Trust Agreement Inservice section.
