

1. Download OneDrive, Word, Excel, Powerpoint Office Apps
 - a. App store-> search for the app you would like to download
2. Initial Log in to app
 - a. User your district email address, username@ecasd.us
 - b. And district password

This is an example using the OneDrive App:

1. Prompted to log in with email address, username@ecasd.us

2. Next re-directed to log into office 365, use your full email address username@ecasd.us and password

3. After logging in, Tap the three lines to see that your account is managed by the Eau Claire Area School District
